Newsletter Gleanings from **Charlie Vest in Asia.**

Thank you for your prayers following my recent heart attack. On August 2nd I had a stent placed in my heart. With some help with weight loss, exercise, & better diet, I am feeling great.

I have received word from Thuang Lian that the funds have been raised to complete the Bible college in Burma. It is now in the final stages of being constructed. Please pray for this Burmese church planter as he trains national pastors to reach this needy Buddhist country.

Last month we were able to start a new Bible college in Toril, Davao City, and also present the TAN materials to a small group of pastors with remote mountain churches. They are all very excited to participate, and I expect a couple of men will start colleges also. Currently over 100 are requesting the printed discipleship lessons. Please pray that God will continue to supply the resources to get the printing completed.

This month we will be preaching in a couple of churches, helping them to celebrate their church anniversaries. Please pray that we can be a help and a blessing to them.
