Newsletter Gleanings from **Mshama Kinyonga** in Tanzania:

We made it back to sunny Tanzania on January 25. It was great to be back. While in the States we traveled to over 27 churches and put over 14,000 miles on our car but made life-impacting memories. Our hearts are renewed, and we are so grateful for all the churches and individuals who pray for and support us. On one of our flights I had the opportunity to lead a young lady to the Lord. She was from Manchester, England and was on her way to Tanzania to visit some friends. The Lord clearly opened the door for me to present her with the Gospel. She bowed her head and asked the Lord to sweetly save her. I'm always grateful for divine opportunities.

Our first Sunday back, we had 270 people. The spirit was fun and exciting, and we are so glad that the Lord met with us.

We are so grateful that God uses people to help people. Sometimes you're the receiver, and sometimes you're the giver. We are happy to report the needs for the new church building (the bus, well, fence, electricity for the church, the PA system, the piano & the microphones) have all been met. We have already started building the new church building. Thank you for allowing God to use you in a way that only He can.
