God has been doing amazing things in Cojutepeque, El Salvador. For our Friend Day in February we had over 28 first-time adult visitors with 248 in attendance. Several children were saved as well as a lady named Zoila who has been coming for several months. Our school ministry is having a great year. Our staff is functioning as a team and we have the largest enrollment with 202 students.

The Lord has laid something heavily on our hearts over the last couple years and months. We have Christian education on our property from K-4 to 9th grade and then a Bible college education. We lack three of the most precious years of a young persons life - Senior High. We must correct this situation. We are working to submit the paperwork and make the needed changes to the property by June in order to open next January 2018. Please pray with us for the \$15,000 - \$20,000 needed for the upgrades by June.

Thank you for your prayers, support, and love shown toward us.
