Newsletter Gleanings from Wes Palla,
missionary to Brazil:

Because of your prayers, there are several encouraging things to report. We have seen several folks saved while out door knocking, and 3 Sundays ago we had three new adult visitors in the morning service, whom I was able to lead to the Lord after church. We have two new families that have started to attend our Portuguese services regularly. We had Baby Dedication Sunday, with five babies dedicated. One of the older ladies was telling me this past Sunday night after church about three friends whom she has been inviting each week to come to church with her. Thank the Lord for people who get a burden to reach their friends and neighbors! Our attendance numbers have been creeping upwards over the past two months. Our goal is to be averaging 50 in every service by our one year anniversary.

Our Mother's Day service was a high success. We had over 80 people attend, and two-thirds of the crowd were adults. We had over 30 first-time visitors, and 12 adults made a profession of faith. Thank you all for praying! Please pray that the follow up visits go equally well. It would be wonderful to see some of the new families stick.

Would you pray for some men I've been visiting? We want to see the Lord get them into church and attending faithfully.
