Through our letters I have introduced several members of our church who needed your prayers. Here are updates on some of your prayers that have been answered:

**Rita** - is doing much better with her depression and continues to be faithful to church. **Cele** has started doing more in the church and **JoJo**, along with being faithful to church, came with us on our trip to Romania. He has been saved and is very close to getting baptized. **Zorka** - has been faithfully attending church since 2011, was saved and baptized in 2011. We have been praying for her husband, Trayan. He is an excessive habitual smoker. Tough, rough, dirty and grumpy are all words that could describe him. I have talked to him many times about salvation, but he refuses to be saved. He is a hard case that will truly take a miracle that only God can perform, but our God specializes in the impossible.

We are planning a short 5 month furlough in the beginning of 2018. We have a few medical things we need to take care of that we have put off for too long already. I will have foot surgery and Susan & children all have issues that need to be addressed. Please continue to pray for us.
