Our hearts are warmed by the growth in the work here in the church. It is a blessing to see people growing in the Lord.

Two of our ladies have been working for a while to invite friends and family, and one recent Wednesday they brought a visiting lady and her daughter to church. During the invitation we were able to lead her to the Lord. The family who brought her was thrilled! Another one of our families has been inviting their family members to come to church without much luck. We encouraged them to be persistent and keep praying and working. For the last few weeks Antonio's cousin Tico has been coming to our discipleship class on Sunday mornings with his 16-year-old son. While he is not ready to "commit to coming regularly," he has been very clear that he is profiting from the material and that it has been a welcome surprise to find a church that "isn't just after his money." Pray that God will work in his family and that they will be grounded and show commitment to their Saviour.

Our one year anniversary service went very well. Sunday morning we had 36 people in our Spanish series. Three adults made profession of faith. That night we had 60 with 16 first-time visitors and 4 adults saved.
