Newsletter Gleanings from **Brian & Liz Hebert** in Bulgaria

This month we have traveled around 3,000 miles for the beginning of our Westward expansion. We’ve spent so much time on the road, yet we are both safe and sound with a car that just seems to keep on ticking. We had every possible service filled this month.

We had 2 quick meetings in Illinois and Kansas. After a couple nights in Oklahoma, we headed to Edgewood, Texas for a missions revival. This meeting was a blessing in preaching and fellowship. We spent a little time with the Paulichen family, who are missionaries to Uruguay but also are Canadian citizens. They were able to give us some great insights about Canada and world cultures.

We hopped, skipped and jumped over the next three days to Cheyenne, Wyoming for a prayer breakfast. I gave a short devotional to the men, and Liz gave a short devotional to the ladies. The next day was a FULL day of preaching and soul winning. Please pray as these churches consider supporting us.
