Newsletter Gleanings from **Osmin Gutierrez** in Honduras.

The ministry continues to go forward here in Honduras. We are thanking God for His provision. God provided the funds for the construction of our storage room/guard sleeping quarters/water tank. We spent almost \$8,000 on this 10-foot by 20-foot building. It is scary to see how expensive it is to build, as we look forward to starting construction on our church building, but we know God will continue to provide.

God also provided somebody to help us take care of our property. Bro. Abner was planning on moving to the capital to attend a local university and was looking for a place to stay. He is staying at the church and we are giving him a monthly offering. He has a great attitude and has been a great addition to our church.

God also provided \$800 for a generator to run our water well. Our water well is up and running. We set up a faucet to the street for people around our church to get water.

Thank you for your prayers and financial support.
